COMMITMENT - CONTRIBUTION - COMMUNICATION - COOPERATION

Your Provision

Providing extra-curricular services for children at your school is encouraged by OFSTED, and can attract potential parents who are looking at sending their children to your school as it shows that you are interested in children's development during both curriculum and out of school hours.

When booking your provision we offer two different options for our schools:

OPTION 1: Parent Pay

Each individual parent will book and pay for the services they need directly with our Head Office via our online booking system. The register will be generated and will include all contact details and medical information for each child. Both the club leader and the school will have access to this via a secure online portal. Minimum numbers do apply when club is parent funded and school subsidy is required for clubs with less than 12 children per hour.

OPTION 2: School Pay

The clubs can be paid for directly through invoicing your school a set price per session. The school would coordinate the bookings and provide the club leader with the register, contact details and information for each child for the clubs they are leading. This is a great way to generate revenue for your school funds!

We can provide all marketing material and correspondence for the parents, provide equipment and allocate you a member of our experienced and fully qualified team who will always be reliable and punctual - leaving you nothing else to worry about!

"ClubsComplete have provided a wide variety of clubs for our pupils which are well attended and appreciated by both the pupils and their parents. The clubs give our children opportunities to develop a skill that is either new to them or that they already enjoy. The late stay club also provides a child care avenue for working parents in a familiar setting. The ClubsComplete staff member at our school is a valued member of the team and an integral part of our school, not only fitting in well with our ethos but having an excellent relationship with pupils, parents and staff."

Karen Hambleton, Moira Primary School.

Breakfast Clubs

A breakfast club is the perfect way to start children's day in a safe, friendly, relaxed environment, where children can enjoy a nutritional breakfast with our leaders and other school friends.

At ClubsComplete™ Breakfast Clubs, children will be provided with a nutritional breakfast which normally consists of a choice of cereals, toast with a choice of spreads, crumpets or bagels, selection of fruit, milk, fruit juice or water.

Our clubs truly help children to recognise just how important eating breakfast is and how it can enhance their academic performance throughout the day.

How will the Breakfast Clubs work?

- **Staff members to arrive 10 minutes before your specified start-time**
- **Daily risk assessment completed at the beginning of each club session to ensure the area in which is being used is safe for the activity to take place**
- **Children arrive and are signed-in by parents on the register**
- **Children are given a healthy breakfast**
- **Once the children have eaten they will take part in an activity such as sports, arts and crafts or team building games**
- **At the end of the club, children will be walked to their relevant classrooms for morning registration**

"When I come to ClubsComplete it makes me feel happy. The staff are very polite and make me feel welcome, at ClubsComplete I feel safe. Sometimes we get to go in the hall and play games like Dodgeball, Quarterball and others. If we haven't had breakfast don't worry, you can have some here: blackcurrant and orange juice, oats and a variety of cereal."

Pupil at Ashby Willesley Primary School

Lunch Clubs

If you want to offer children in your school something different to do at lunchtime, to focus all their energy into an extra-curricular skill, lunchtime clubs are definitely the right choice for your school.

Many schools have used our club staff to bring in an alternative for children during lunchtime and improve behaviour on the playground, the results are outstanding.

These fun sessions enhance learning, give children the opportunity to socialise with pupils who are interested in similar activities and allow them to develop an interest in developing a new skill or hobby!

It is also a great opportunity for our staff to liaise with the school sports team to prepare children for inter-school sports competitions.

ClubsComplete™ can provide lunch clubs to include almost all themes offered as after school clubs (please see our after school clubs page), and these sessions can run for just 30-45 minutes!

Alternatively, ClubsComplete™ can put together a carousel programme and train up your lunchtime staff/play workers to offer a full, comprehensive programme.

COMMITMENT - CONTRIBUTION - COMMUNICATION - COOPERATION

After School Clubs

At ClubsComplete™, we recognise that schools, teachers and assistants have a lot of work on their hands and do not always have time to organise, support and develop after-school club programmes.

How will an After School Club work?

- Staff members to arrive 10 minutes before your specified start-time
- Daily risk assessment completed at the beginning of each club session to ensure the area in which is being used is safe for the activity to take place
- Children arrive and are signed-in by the staff member on the register
- Children will take part in the chosen activity
- At the end of the club, children will be signed out by parents/guardians with the club leader

Our club leaders can also support your school with things such as Inter- sports competitions, Sports day, end of term performances, fundraisers, school fayres, projects and displays.

"My son has attended ClubsComplete since starting at Ashby Willesley Primary School 3 years ago and he loves it, his sister couldn't wait to start when she started school this year and now she loves it too!! I have always felt that the staff at ClubsComplete care about the welfare of my children, they are always attentive and pleasant and always give you a debrief after each attended session. My children always come home raving about their latest adventure at 'after school club'. My mission was to make sure that my children are safe and happy at their wrap around care offering and I can honestly say that ClubsComplete have always ticked that box for them, my husband and I." Louise Caller, Ashby Willesley Primary School, Parent

Explore Club

Explore club is an extended after school club that tag onto the end of the day, which normally runs until 5.30/6.00 pm (this depends on each individual schools requirements) and form part of our 'wrap around' package that school's purchase from us.

During the club, children are given a snack or small meal and a drink (please note all allergies and dietary requirements will be discussed with the school when setting a menu)

After eating, children are then offered to choose from two or three activities (depending on the group size) which can range from multi-sports, to arts and crafts, to cooking or film/free time.

An example of our Explore Club menu:

The Menu

Margarita pizza with veggie sticks

Beans on toast with a fruit smoothie

Wrap/sandwich station with a variety of fillings: cheese, ham, tuna, cucumber, egg mayonnaise alongside a selection of fruit

Macaroni cheese with yoghurt

OFSTED Wrap Around Care Provision

Using ClubsComplete™ for your wraparound care is the most cost-effective and hassle-free way to provide quality childcare and enrichment activities outside of the school day whilst generating income for your school funds.

If the provision your school require is for over 2 hours per day and ClubsComplete will be taking all bookings and payments, the provision will require to become Ofsted registered.

This means that the ClubsComplete would have their own registration for the setting within your school and will receive routine inspections and grading relating to the setting.

We take care of everything...

- Administration
- Marketing (letters and emails to generate numbers)
- Taking bookings and payments on our website
- Liaising with parents
- Generating registers
- HR and employment costs for staff
- Planning suitable topics to extend children's learning differentiated from EYFS all the way up to KS2
- Planning activities in line with British Values and EYFS for Reception children
- Catering
- Policies and Procedures
- Registering the setting and keeping update with changes to the guidance and frameworks

Quotation from one of our 2020 OFSTED inspections where we were awarded MET in all areas in the new inspection framework:

"Children arrive happily after school and quickly settle into their chosen activities. They take part in a wide range of enjoyable activities, which complement their day at school well. Children are confident to engage in purposeful conversations with staff. They use their imaginations well as they role play with friends. Children take responsibility for their own activities and are given ample opportunities to make their ideas come to life. This helps them develop a strong sense of belonging."

Spanish Residential

Opening a world of opportunities to children and young people in Spain. A Wonderful opportunity to immerse your students in Spanish culture and interact with children from around the globe!

ClubsComplete™ organises various camps in Spain during school holidays June - August each year. We work with various cities in Spain including San Pedro de Alcantara, Malaga, Valencia and Cordoba. We can help you organise your residential trip for your Year 5, 6 and 7 students.

Children will be immersed into the foreign language as they will be mixed with Spanish speaking children during school hours - they will be exposed to real-life opportunities such as ordering in a restaurant or making a purchase in a local shop.

These skills are not only invaluable for their language learning but also for their life skills as they transition up to secondary schools.

The costs of the trip is normally around £400+ depending on the dates chosen to go to Spain (flight and accommodation prices fluctuate during certain periods of the year).

To speak to one of our team about our residential trips abroad, please email camps@clubscomplete.co.uk

Workshops and Enrichment

Most workshop bookings that we have to offer comprise of a number of workshops per day and are not limited to the themes detailed below. Therefore, we offer a bulk booking discount when booking more than one member of staff to deliver a workshop in your school.

Get Active Workshop

Students will have the opportunity to try out our full range of sports with our fully-qualified, experienced Sports Specialists. Schools can elect certain sports or opt for our variety of sports that will run on a carousel programme, depending on the length of their particular workshop.

Basic Beauty Skills Workshop

Our fully qualified NVQ Beauty Therapists have extensive knowledge of delivering beauty treatments. Students will learn the following skills; express and classic manicures and pedicures, basic massage techniques including Indian head massage, facials, and basic makeup techniques along with a light introduction to the theory of the NVQ Beauty Course.

DJ-ing Workshop

This workshop is a great way to inspire your students who have a passion for music. This workshop introduces to the DJ-ing industry, training students how to play tracks, mix, scratch, and much more! We can tailor the DJ workshop to your requirements and the pupil's preferred musical styles

An Introduction to Performing Arts Workshop

This workshop is aimed at pupils who are new to drama, dancing and singing and would like to gain more experience in this field. The workshop will cover various aspects of performing arts and will conclude with a short performance at the end of the week!

Street Dance and Hip Hop Workshop

If you are looking for an exciting combination of hip hop moves and street dance routines you need to book the ClubsComplete™ Street Dance workshop for your pupils. This is one of the most popular styles of dance that we provide. The street dance workshop offers participants the hottest and most stylish moves around. Using the latest urban music and our expert dance choreographers.

Football Freestyle Workshop

A physical workshop to promote a healthy more active lifestyle. This workshop is great for engaging those pupils who have a passion for football and sport, introducing students to the art of Freestyle and Street style football.

Bend and Flex Gymnastics

An extremely popular workshop with students of all ages! Our bend and flex gymnastics instructors teach students the basics of gymnastics and acrobatics incorporating tricks, tumbling and balancing. This workshop will improve coordination, teamwork and the fundamental skills.

Graffiti Art Workshop

Graffiti Art workshops compliment both Art and Sociology. This workshop build on the drawing and painting skills students are already studying in school. Graffiti Art is an amazing Art form that goes beyond the boundaries of everyday art. This workshop teaches advanced sketching techniques, spray techniques that create a variety of effects and the ability to create a whole piece.

Basic Circus Skills Workshop

This workshop builds upon a young person's enthusiasm to create a truly spectacular day. Participants can experiment with different equipment such as juggling balls, scarves and apparatus that will develop balancing skills and agility. During the workshop participants will be involved in a group work, individual expression and a range of circus activities.

Enterprise Workshop

Challenging a number of key skills, the activities require teamwork as well as individual performance skills to explore the world of enterprise and entrepreneurship. Our Enterprise workshop are designed to get students thinking outside of the box and creating an idea that would sell in today's markets. Working out costs and profit margins will help them to understand how financially successful their product would be in the real world.

Cupcake Decorating

Pupils will be taught a variety of cupcake decorating techniques, e.g. fondant icing, buttercream icing, decorative patterns and more! For the 5 day workshops, they will have the opportunity to work towards a project e.g. a giant cupcake or a cupcake tier for a wedding.

Around the World Workshop

During this workshop, pupils will experience different cultures from a range of different countries, through performing arts, sports, dance, cooking, art and language. Popular countries for this workshop are Egypt, Spain, France, America, and Italy however this workshop can be tailored to each school's needs. This workshop can be particularly beneficial to students that study a modern foreign language.

Stage that Page Workshop

Stage that Page will allow children to use their imagination, express themselves and improve confidence. Our drama coaches are able to create a performance with your students in 1-5 days. This will improve the students acting, dancing and singing skills. There will be a variety of roles available e.g. actors, dancers, singers, backstage crew e.g. sound, lighting, props and costume.

Basketball Freestyle Workshop

This workshop is great for getting your students active and working together towards a healthier, more active lifestyle. This workshop is great for engaging those pupils who have a passion for Basketball and sport, introducing students to the art of Freestyle and Street style Basketball. The workshop allows players to improve and enhance techniques that they already have been taught. The freestyler will teach the young people stylish and flamboyant moves that will enhance their skills and push them to progress with basketball.

Life Skills Workshop

This workshop is aimed at years 10 and 11, preparing the students for life after school. The course will teach valuable skills such as interview techniques, CV and personal statement writing as well as how to present themselves professionally in society and the workplace

"Fakeaways" Cooking Workshop

Pupils will discover the healthy way of eating delicious food They will be taught a variety of cooking techniques that will allow them to cook their favourite "cheat" meals in the healthiest way possible from Indian, Thai and Mexican foods.

"Cirque du Soleil" themed Gymnastics & Acrobatics Workshop

Our trained acrobats and gymnasts will amaze students when performing a "Cirque du Soleil" themed acrobatic and gymnastics performance in full costume. They will then combine acrobatic tricks, gymnastic stunts as well as lyrical movements and rhythmic gymnastics techniques into their intense workshop to ensure that students train in all areas. Students will perform a full "Cirque du Soleil" themed routine at the end of the three days which will showcase their newly discovered talents (Minimum booking 3 days – maximum ratio 1:10 students)

Rhythmic Gymnastics Workshop

Rhythmic gymnastics is a very popular form of the subject. Combining exciting and impressive gymnastic and acrobatic tricks and techniques with multi-coloured ribbons. The ribbons enhance the performance and encourage the students to develop their skills.

Social Skills Workshop

This workshop is a great way for students to learn and develop their social skills from knowledgeable and qualified coaches. Students are introduced to the practice of communicating effectively, cooperating, resolving conflicts and being kind among many other essential life skills. This workshop can have an incredible impact on the life of many students.

Día de España (Spanish Day)

This workshop is extremely popular, now that Spanish is the third most spoken language in the world. Students will learn to cook delicious tapas, make Spanish crafts/masks and flags and even learn lots of Spanish phrases, but in the most practical and fun ways possible. This is a great way of fulfilling your Primary MFL requirements on your subject leader action plan!

How to Book

If you would like to further discuss your school requirements or to book one of our many services you can contact one of our professional advisors to discuss:

- The best funding plan for your school
- Who will be paying for the services (Parents or School)
- Preferred activities for the children in your school
- Starting date and schedule for your activity plan
- Any specific requirements that are necessary for your children and school

Once we have a full overview of your school's requirements we will send out an electronic contract to be signed to confirm your booking.

We will then contract our specialist(s) to your school and organise for them to visit you early on their first day or before this so that they can gain a full insight into the workings of your school.

**Every child has their own individual talent;
Our goal is to find it, nurture it, and develop it further.**
